Dear Friend,

IOWater calls its members and everyone interested, to get mobilized and come to Mexico City to present their experiences, to exchange and discuss in order to develop and improve **Water Information Systems**, during the 4th World Water Forum, which will take place, from 16 to 22 March 2006, at the invitation of the Mexican Government and the World Water Council.

**The Forum Secretariat has accepted our official session proposal,
N° 5.13, submitted jointly by CONAGUA and IOWater and their partners,
for the day of Tuesday 21 March 2006, 16:30 to 18:30,
devoted to WIS: Water Information Systems.**

This session will be organized by the International Office for Water (IOWater) and the Mexican National Water Commission (CONAGUA), jointly with INEGI, the Japan Water Forum/CPWC, the Euro Mediterranean Water Information System (EMWIS), the Irtys River International Commission (Russia and Kazakhstan), the Senegal River Organization (OMVS), the Koros - Crisuri project (Hungary – Rumania), the French and Polish Water directorates, several universities and famous research centers and the French Water Partnership for Mexico.

IOWater invites you to joint and participate.
